## *We can build it for you:*

### **Life Lines: (MEASUREMENT IS VERY IMPORTANT!)**

**Pin Diameters** -please check pin sizes for every wire/swage fitting! **Studs** – verify left or right hand threading!

**Threaded Adjustments** -(measure/mail in) Put tape on and label fittings that you want replaced or to mark their adjusted position before removing from your boat. Please include all fittings when mailing in.

**WHERE TO MEASURE!**
