Dock lines & Anchor Lines:

Dock lines -We offer nylon double braid, megabraid, or 3 strand line, Please indicate the length, diameter and type of line you would like to purchase. (Other options available, please contact us)

Anchor line – Anchor line is typically 3-Strand Nylon , Mega Plait, or 8 Plait. Please indicate length, diameter and which type you would like and which color (if multiple colors available).

Anchor Line to Chain – We offer rope to chain splices to create Anchor Rodes. Select Anchor line and type of chain.

Select - Type of line, diameter and length of line. **Chain must be at least ½ the size of the line.

In order for us to complete the splice we need to know what type of chain you would like to use and the length of chain. We offer multiple chain option, Proof Coil, BBB, G40/G4, G70, or Stainless Proof Coil.

Protecting your Line – Chafe guards and thimbles can extend the life of your product

Chafe Guard – Chafe guard, in the eye, stitched over a certain section, or loosely floating on the line, can be added to your order.

Thimbles – You may have the thimble of your choice installed on any end. Typical thimbles include galvanized, plastic (nylon), stainless, or heavy duty. If you would like a thimble please specify in "Other Notes" on form.
