## LIDO INSTRUMENT RANGE

### **FEATURES**

- Instruments available for most outboards, stern drives and gasoline-powered inboards
- Scratch-resistant domed glass lenses
- Enhanched illumination: through-dial and periemeter lighting for excellent readability at night
- U.S. and metric scales, with ISO symbols, where appropriate
- Optional add-on square and eyebrow bezels for modular appearance

Stylish stainless steel bezel design, black on white graphics, accurate and reliable, these tough instruments look good on all types of boats. Domed glass sheds water and resists scratching. A comprehensive family of instruments for outboards, stern drives and inboards, including diesels! Lido instruments feature crisp white dials and fire-orange pointer tips. Red through-dial and white perimeter lighting is provided for great night readability. Lido offers wide inboard coverage with engine sync gauges as well as diesel alternator and magnetic pickup tachometers. A hot seller with OEMs and covers most inboards!
