

ITEM #768

SIGHT & SOUND BEAR DETERRENT SHELLS
Long Distance Deterrent – Field tests in Alaska demonstrate
Orion Bear Deterrent Shells can be effective at 300 feet.
DON'T RELY ONLY ON 30 FOOT PEPPER SPRAYS!

4 Non-Lethal Bear Deterrent Shells that Produce:

- Bright, dynamic flash (over 11,000 candela)
- Loud "gunshot" sound (over 120 db)

Bear Deterrent Shells:

- Waterproof
 - Lightweight (only 1/2 oz. ea.)
 - For Use in Orion "Launcher"*
- Only (sold separately)

Also Excellent Signal in Emergency Situations to Alert Potential Rescuers

*Sight (flash) and sound (gunshot) physically produced at "launcher". Other than hot gases and solid components (plastic wad) no pyrotechnic signal is launched toward the bear.

The Brightest Name in Safety

Sight & Sound Bear Deterrent Shells

ITEM #768

DO NOT SEEK OUT ENCOUNTERS WITH BEARS. This product is a non-lethal bear deterrent which may offer protection in some unexpected encounters with bears and in nuisance situations, but may not be effective in all situations or prevent serious injuries. Bears can become habituated to human noise so there is no guarantee what will work on a given animal.

Fire the Orion Bear Deterrent to disrupt unwanted animal activity or when you feel you are in imminent danger. Be sure surroundings are clear of people and the bear has an obvious escape.

1. Open the launcher, insert Orion BEAR DETERRENT shell and close launcher fully.

2. Hold launcher above eye level, point straight up.

3. Cock hammer and squeeze trigger.

Important Safety Instructions:

WARNING: Keep Orion launcher pointed in a safe direction at all times.

Only load the Orion Launcher with yellow Orion Bear Deterrent shells and only load the launcher when you intend to fire. **DO NOT** point or fire loaded or unloaded launchers in the direction of people or directly at any animal. Hot gases and solid components (e.g. plastic wad) will be discharged from launcher barrel and can travel ~150 feet. Pointing and firing the Orion Bear Deterrent shell at a person or animal can result in physical trauma including loss of sight or death.

STORAGE: BEAR DETERRENT SHELLS SHOULD BE STORED IN THE ORIGINAL MANUFACTURER'S PACKAGING ONLY. STORE IN A SECURE, COOL, DRY PLACE TO AVOID PRODUCT DEGRADATION, WHICH COULD RESULT IN PRODUCT FAILURE. **STORE LAUNCHER UNLOADED.**

WARRANTY: SELLER PROVIDES THIS PRODUCT "AS IS" WITHOUT WARRANTY OF ANY KIND EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PURCHASER IS RESPONSIBLE FOR THE PROPER AND SAFE USE OF THIS PRODUCT.

CALIFORNIA PROPOSITION 65 WARNING: This product contains lead, and may contain other chemicals, known to the State of California to cause cancer and/or birth defects or other reproductive harm.
