Serious Air Power

- Weather Resistant, Powder Coat Finish
- Compact, Portable And Easy To Use
- Rugged, All-Steel Construction
- 1-Yr Limited Warranty*
- Made In the USA

The powerful, American-made Magic-Air® Electric Inflator/Deflators take the work out of inflating and deflating.

The original, compact Magic-Air® is fast, easy to use and produces a high volume of air. It's ideal for inflating and deflating boats, pools, float tubes, mattresses or toys. Perfect for boaters, campers, fishermen, vacationers, schools, businesses or institutions.

The new heavy-duty Magic-Air® Deluxe is specially designed for extra-large or commercial uses, including boats, trampolines, air structures or even islands.

Features:

- 6ft. flexible hose with CFM power control
- 2 tapered universal inflator adapters (7/8" and 3/16" OD)
- 12ft., 18 gauge, 3 conductor, grounded power supply cord.
