SEAT TRAILERING LOCK (FIGURE 2)

Your new Tempress seat features a patented "Lock" feature to keep the seat folded flat when trailering the boat or when the seat is not in use. Fold the seat forward and the "Lock" will engage, keeping the back from moving upward. To dis-engage the locking tab, simply press down on the tab (A) while pulling the seat back into the upright position. This patented feature is only available on Tempress seating.
